

TAFT Laptop Program (2022-23 Academic Year)

Taft requires each student to have a laptop computer. Computers are an integral tool for learning and success throughout the campus, in the classroom, the library, the dorm, the science center, or on the Jig Patio. To make selection easier for parents and students, we are offering an optional school laptop program. Our goal is to provide better service for our students while they are away from home and to bring peace of mind to their parents. The package design is to meet all the computing needs of students during their time at Taft. Each package includes a **4-Year Manufacturer Extended Warranty & 4-Year Accidental Damage¹ Insurance, Clear Hardshell Case², & Anti-Virus Software**. Taft's laptop program also includes complete on-site support³ with loaner laptops available when an off-site repair is necessary.

Important Notes About the Taft Laptop Program

- *Models are subject to change based on the manufacturer's specs at the time of order. The exact model ordered may change but will be equivalent to, or better than, the models listed above.*
- *Hardshell cases are expected to be kept on the devices at all times. Cases must be left on laptops to ensure accidental damage protection.*
- *All orders are due by **June 1, 2022**.*
- *Taft is confident that the laptops will arrive in time for the beginning of the school year, but there may be unexpected delays in shipping beyond Taft's control. Taft will not assume responsibility for any delays in shipping.*
- *Accidental Damage Insurance does not cover cosmetic or intentional/negligent damages. Students will be solely responsible for any costs not covered by accidental damage insurance.*
- *While the student is attending Taft, the IT Dept arranges repairs. Students who have graduated/departed Taft **with warranty period still in effect** can access warranty services directly with the provider. The Taft IT department will not repair or arrange for repairs or warranty services for students no longer enrolled at Taft.*
- *Students are required to remove all Taft licensed software when they leave Taft whether through withdrawal, dismissal or graduation.*
