and
Citation of Merit
1962 Recipient**

**M. Heminway Merriman '97
1878-1964**

Graduate of the seventh class to leave the school, first citizen of Watertown, trained in the finest traditions of the medical profession here and abroad, survivor of a successful practice in New York City, you have brought to your school, your town and your family a deep sense of continuity with the best of the past, together with the relish of a rich and abundant life to be. You have accomplishments in many fields as a leader in your profession and an honored president of its societies, a master of the hounds, a catalyst around whom civic virtues and good works collect and a sailor of enthusiasm and skill whose successful voyages include fifty-two years of matrimony. From your lifetime home on Academy Hill you have watched our school grow, financed its first Alumni Bulletin, served it as trustee and alumni representative, and most of all enriched it with your love, your attention, your ideals and your sons. The Alumni are proud to tender to you their Citation of Merit.
